Discover Elevated Living with Assetz Codename Micropolis in Kudlu, Bangalore

Welcome to *Assetz Codename Micropolis* — a visionary residential township that redefines urban luxury in the thriving heart of South Bangalore. Spread across an expansive 80 acres, this premium development by Assetz Property Group presents a new benchmark for upscale living, combining modern architecture with serene natural surroundings and impeccable planning. Situated in Kudlu, near Parappana Agrahara, Assetz Codename Micropolis offers a rare blend of connectivity, elegance, and lifestyle that truly elevates everyday living.

A Landmark Community Designed for the Future

Assetz Codename Micropolis isn't just a home; it's an urban ecosystem. With over 75 handpicked amenities spread across more than 2 acres and a twin clubhouse model offering 63,000 sq. ft. of leisure and recreation space in each phase, the development is designed to deliver a world-class experience to its residents. Whether you're unwinding by the pool, working from state-of-the-art co-working spaces, or staying fit in the fully equipped gym, you'll always find a space that reflects your lifestyle.

Premium 3 & 4 BHK Apartments for the Modern Family

Thoughtfully planned to cater to contemporary living, Assetz Codename Micropolis offers spacious 3 and 4 BHK apartments with size configurations of 1900 sq. ft. and 2500 sq. ft. These homes are equipped with premium fittings, wide balconies,

smart-home features, and sustainable architecture that promotes energy efficiency and well-being. Every detail is meticulously designed to reflect elegance and functional luxury, making your home a true sanctuary.

Kudlu: A Prime Location with Seamless Connectivity

Located at the junction of key tech corridors, *Assetz Codename Micropolis* offers unbeatable access to major employment hubs such as Electronic City, HSR Layout, Koramangala, and Bellandur. Kudlu is well-connected through the Bangalore–Chennai Highway, Hosa Road, NICE Road, and Parappana Agrahara Road. Additionally, the proximity to the upcoming Metro stations and BMTC routes ensures excellent connectivity across the city.

Ideal for Families, Investors, and Professionals

The project's surroundings include renowned educational institutions like Royal Concorde International School and Orchids The International School, as well as top-tier hospitals such as Narayana Multispeciality Hospital and Kavya Hospital. For leisure, shopping, and dining, residents can explore nearby hubs like The Forum Mall and Royal Meenakshi Mall. This holistic lifestyle offering makes Assetz Codename Micropolis a perfect fit for working professionals, growing families, and discerning investors.

A Pre-Launch Investment Opportunity with High Returns

Currently in the pre-launch phase, Assetz Codename Micropolis is open for Expression of Interest (EOI). Early investors will enjoy priority unit selection and exclusive pre-launch pricing, making this an ideal opportunity to secure a high-value asset in one of Bangalore's most promising growth corridors. Backed by Assetz Group's legacy of innovation, quality, and timely delivery, this project stands as a secure and forward-thinking real estate investment.

Built by Assetz Property Group – A Name You Can Trust

Founded in 2006, Assetz Property Group has emerged as one of Bangalore's most reputable real estate developers. With a strong focus on sustainability, modern design, and customer satisfaction, the group has delivered several landmark residential and commercial projects. Every Assetz development is a testament to quality construction, aesthetic excellence, and long-term value creation.
